Eastern Atlantic States Regional Council of Carpenters

November 9, 2020

Brothers and Sisters,

Due to the extraordinary circumstances we are facing with COVID-19 (Novel Coronavirus), and for the safety of our members, the executive board of Local 255 has cancelled the monthly meeting scheduled for November 10, 2020. We will continue to monitor the situation in regards to future meetings.

The Coronavirus has a significant and wide-reaching impact on our communities and our industry. We would strongly advise you to monitor the Eastern Atlantic States Regional Council of Carpenters website for up-to-date information that may assist you and your families during these trying times. The link is posted below.

The EASRCC is currently reviewing ways to assist the membership. The web site is a "real time" source of information. If you require additional assistance, or have any questions, please reach out to your council representatives.

Fraternally,

*John Robinson
President
