

Local 255,

My name is Sam Noel. You know me. I'm one of your own.

I'm a union carpenter, a proud veteran, a devoted husband and father, and now a candidate for Delaware State Senate in District 14.

For the last 20 years, I've fought alongside many of you for working families across the state. Now, I want to fight for you as you State Senator representing District 14.

I humbly invite you to my campaign kickoff rally this Wednesday, June 29th, at 6:00pm at George Wright Municipal Park at 52 N Main St Smyrna, DE19977. We need your help in this fight. It's going to be a tough one.

Working class Delaware families are being pushed to the breaking point from skyrocketing prices at the gas pump and the grocery stores to housing that costs half of their paycheck or more.

I'm running because working Delawareans deserve better. They need someone in the state Senate who understands and lives their struggle. Someone who understands that people want a hand up, not a handout. Someone who will stand up for the working class.

That someone is me, Sam Noel.

- A temporary suspension of the state gas tax to provide working families with relief at the pump.
- Delivering the care and support that Delaware veterans deserve.
- Investing in affordable housing to combat skyrocketing rent and mortgage costs
- Providing more robust support and pay to our First Responders for the service they provide to our community.

These are just some of the policies we're fighting for. But, Local 255, we need your help to do it.

I would like to ask the members of Local 255 to support my campaign at our announcement rally on Wednesday, June 29th, at 6pm at George Wright Municipal Park 52 N Main St Smyrna, DE 19977. Let's show Delaware what we can do together.

Thank you for standing with me. Let's do this.
